

THE JUNE FETE

May 6, 2008

Janis Nowlan
Janis Nowlan Orchestra

Dear Janis:

We cannot thank you and your musicians and vocalists enough for your part in making our "Uniquely Philadelphia" Gala such a tremendous success.

Your musical selections were perfectly timed and your ability to read the mood of the crowd was impressive. The dance floor was packed all evening long.

We appreciated your sensitivity to the "volume" issue that normally plagues this event. Your suggestions for quiet dance music during salad service and classical piano selections during dinner were extremely well received. Judy and I have heard many positive comments about it.

Again, our thanks to you. You and your band were awesome, and made us look good!

Sincerely,

Lynne Dillett
