Ms. Janis Nowlan
Janis Nowlan Orchestra

[REDACTED]

Dear Janis:

We received so many accolades from our guests who attended the marriage of our daughter, Marcy, to Ross, on March 10th at the Hotel DuPont. They offered flattering remarks about the lovely DuBarry Room where the ceremony was held, the regal Gold Ballroom where we had the reception, the excellent menu and service, and, of course, the beautiful wedding couple.

The outstanding Janis Nowlan Orchestra completed our perfect evening. You brought each and every guest to their feet and on to the dance floor. There were many terms which our guests used to describe your orchestra. The most often used ones were: "Talent," "Energy," "Personality," "Versatility," "Outstanding" and "The best we ever heard".

Janis, you were an absolute delight to work with. Your personal touch during the entire evening added so much to everyone's enjoyment. Your liveliness and upbeat tone permeated throughout. You really helped make our evening a memorable occasion. Many thanks.

Sincerely,

Charlotte & Martin Schaffer
