

Dear Janis,

We cannot thank you enough for making our wedding day so wonderful and memorable. The music was so fantastic - our guests told us that ^{they} had a great time and everyone was asking us about the band. Several people said that you were the best wedding band they have ever heard and we agree wholeheartedly. We had the chance to watch some of our wedding video and we were up and dancing in our apartment!

Thank you again for making our special day even more wonderful than we could have ever hoped it would be.

All the best,

Stephanie Schwartz + Noam Kutler
