Ms. Janis Nowlan

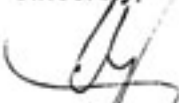

Dear Janis:

With the wedding and holidays behind us, I felt compelled to write to you regarding my daughter Jenny's wedding reception at the Union League. While we were most fortunate that virtually every aspect of our wedding went according to plans, the performance by you and your orchestra probably received the greatest praise by our family and guests.

From the initial contact with you, everything was handled in a very professional manner and enabled us to enjoy our celebration. While our hopes were quite high based upon your credentials, the entertainment you provided far exceeded our expectations and had our family and guests asking for more. You and your entire orchestra were certainly the hit of wedding and you should be commended for a job well done.

We hope to be able to work with you again at some point in the near future. Thank you.

Sincerely,

Henry S. Zawila
