Janis:

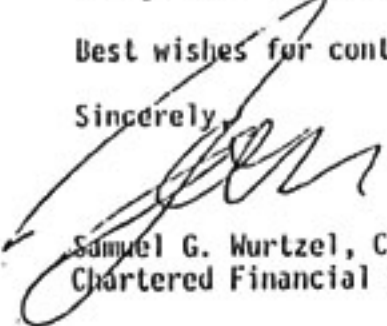

After 3 bat mitzvahs, 1 bar mitzvah, a 25th wedding anniversary celebration and 2 weddings you'd think I've seen it all. But never anything like the Janis Nowlan Orchestra.

You guys were terrific. (No--make that fabulous!) However, there was one small problem...

Phyllis and I had such a great time dancing we never got around to greet all of our guests. We have to blame you.

Best wishes for continued success.

Sincerely,
